

Wonders in the Bible #9

Nancy A. Stevens

Clue: An amazing structure with unusual inhabitants

Unscramble these jumbles, one letter to each square, to discover some of the inhabitants. All the inhabitants appear in Genesis 7 (NIV)

Who designed the structure?

God said to Noah, “Make yourself an ark of cypress wood; make rooms in it and coat it with pitch inside and out. This is how you are to build it: The ark is to be 450 feet long, 75 feet wide and 45 feet high” (Genesis 6:14-15).
