What nation was saved?

“The Israelites went through the sea on dry ground, with a wall of water on their right and on their left. The Egyptians pursued them. . . . The LORD looked down from the pillar of fire and cloud at the Egyptian army and threw it into confusion. He made the wheels of their chariots come off. . . . The LORD swept them into the sea. The water flowed back and covered the chariots and horsemen—the entire army of Pharaoh that had followed the Israelites into the sea. Not one of them survived. . . . That day the LORD saved Israel from the hands of the Egyptians” (Exodus 14:22-30).
